BOKU WA IMOUTO NI KOI WO SURU VOLUME 5 END

So, what do you guys think of the "Morning Call Filled with Blissful Love"? The Drama CDs actually added in more Iku and Yori scenes! Here, Yori calls, "Iku" to wake her up, however, in the CD, Yori says, "My sweetheart" instead, so feel free to use your imagination when listening to the CD (^^)

In this special side story, Yori is wearing the uniform from Kengau High school, but why would he be waking Iku up at their house (Laughs)? Well, this might be future writing material. (^^)

This side story is from "Boku no Imouto News" Drama CD, but not many people would know this, right...? To those who haven't watched "Boku no Imouto News" or bought the Drama CDS, the content of this episode's "Boku no Imouto News" is to appear in the last episode, so please wait patiently in the meantime (^^)

Although... I still don't know when I want to end this manga... But I will do my best to keep it serialized (^^)

The next episode and the side story were released on the same day, so I'm really happy! Just what kind of unbelievable events are about to unravel? And just what kind of unbelievable events am I referring to...? (^^)

The side story for the next volume (Volume 6) until volume 8!! The story is the new anime for Boku wa Imouto!! There's an anime now!! Kyaa...!

The ten minutes recorded from three continuous episodes for the anime's DVD is to be added as a bonus. I'm not really sure of the positives either, so I can't write that much. But the release date for the complete 3 episodes is to be announced.

I think I've already mentioned this before?

So it is now proceeding in secret, so please wait patiently, everyone.

The second Drama CD about the anime and the CD itself will be released in the summer so please read the magazine for more details

So far for the manga serialization there is a new plotline being unravelled!! We're almost at the climax of the story and Tomoka, she's...! As well as Yano...!! (Laughs)
